20,000 ARE IDLE.

Far-Reaching Effects of the Strike Against the Iron League.

Building Operations Throughout the City Completely Blocked.

Between 15,000 and 20,000 men are idle as a consequence, and the building trades are in reslity paralyzed.

senting the side of capital in the struggle are loath to acknowledge that the situation is really as deplorable as has been indicated They contend that the places vacated by the Fiery Speeches Expected if the strikers are being steadily filled by non-union men, and that work is progressing quite satisfactorily, though not so rapidly as it might under more favorable auspices.

The fact remains, nevertheless, that where silence and a lack of everything indicating progress prevails.

In idleness or lolling languady about the distributed among the east side sympathizers places where the strikers are wont to congre-

the costly difficulty the attitude of the principals. Besides it has and apparently with just reason. Johann become a very complicated matter, and a set. Most is not expected to be present.

able strike. The delegates continue to be the aggressors, while the bosses apprently remain passive and accept the consequences without a murmur, at least so far as the public knows.

ings in course of construction called on Sec-retary Clayton at the delegates' headquar-ters this morning for the purpose of arbitrat-tor individually. ing individually.

Among the number was the junior member of Loonlo & Parker, who have a double tenement at 120 and 131 Madison street completed except one story.

ment at 129 and 131 Madison street com-pleted except one story.

Mr. Parker said: "The men were called off Thursday without my knowledge. If the delegates had told me what their grievance was I should have remedled the matter to their satisfaction. What is the trouble?" Secretary Clayton replied that material was delivered by non-union cartinen and the tab was tied up.

fradition Opposed to Mrs. Halo the constitutionality of the act passed by the Christening a New War Vessel. Manitoba Legislature abelishing Catholic separate schools in that province. It is possible that the wife of Senator Hale, who has been invited to christen the war ves-sel known as the Ammen ram when she is "inaa specia ty, if the Hungaria, a Union ed. sel known as the Ammen ram when she is launched three weeks from now at the Bath Iron Works, may not perform that duty after all.

Officers of the navy are opposed to it, as they were to a married woman christening the cruiser haltimore four years ago.

1. "It is an ancient tradition," said an officer at the Brooklyn Navy Yaid, "that no married woman may then the a new yeasel. A superstition would follow the vessel that might make it ufficult, if not impossible, to get a Annoyance, or we would be a superstitute.

Rigid Quarantino Against Manicoba. Labor. PERSONA, N. Dok., Aug. 1.-Owing to the Car Fare anger arising from small-pox along the Manitota border Gos Burke has stationed guards one mile apart along the boundary line. They will allow no one to cross to this aide until the quarantine is raised. All trains will be stopped at the boundary. Premier treenway and the Manitoba officials are sit-

glars, lived with at 9 Second street. She was | lections are as follows: detained as a witness.

Mamie is not a pretty girl, but she is young and interesting, interesting because she is determined to become the bride of burglar Kelly.

Apparent.

Apparent.

The strike ordered by the Board of Walking Delegates against J. B. & J. M. Cornell, the Jackson Architectural Iron Works Company, and incidentally against the Iron League, presents to-day a very grave aspect.

During the last week the strike has become of much wider scope than was deemed possible at the outset. It has developed proportions that include all the manifold trades emissions.

detained as a witness.

Mamie is not a pretty girl, but she is young and interesting, interesting because she is determined to become the bride of burglar Kelly.

"She is about twenty years old and quiet and modest in demonator. Only when she speaks or her approaching marriage does Mande show any excitement. "Yes, I know nit about Ted," she said to an Evenisa Wonn reporter to-day, "and he must marry me before they send him to prison. I have known reductions for the was lividge in service in a house in Brooklyn. I went to live with him and tried to get him to drop his companions and go to houset work. But he wouldn't do it, and now you see the result.

"I love him and he loves me, and is willing to have the ceremony performed at any time."

Capit. Cross said it was quite likely that.

ble at the outset. It has developed proportions that include all the manifold trades employed in building construction excepting the bri-klayers and the plumbers' associations. These two organizations only hold alorf and refuse to interiere in favor of one or the other sides;

A total of sixty-eight of the principal didings in course of construction in the large time of the principal during Ted iy's incarceration. When he comes out it hink I can reform him and make a better man of him, she said as she was led back to the station house.

While in court the officers arrested two spectators who exchanged friendly salutations with the prisoners. They were "Yalier Fri-oo" Murphy and Joseph Manus, a bartender. Both were locked up in Eldridge street station.

The Cornells, Jacksons and builders repre- ANARCHISTS TALK TO-NIGHT.

Police Do Not Interfere.

The Aparchist meeting to be held to-night a few weeks ago, where the strike was in- in Military Hall, 193 Bowery, of the Pen'ertaugurated, all was life and bustle, to-day Goldman group of Autonomists to discuss the Homestead affair, is all the talk to-day in h Anarchist circles, and dodgers and handblils, Thousands of men are walking the streets printed in English and German, are being

gate, watching and waiting in vain for some | Anarchist speakers have volunteered to adintimation of an approaching settlement of dress the meeting, and plenty of inflammatory talk is expected. There is some fear That a settlement is far off is evident from that the police will interrup: the proceedings,

Element of one question may not in any way No names appear on the circulars announc-

tend to affect another.

The bosses obclare that they will stand out against the demands of the strikers until grass grows on the floors of their shops before they will submit to the demands of the strikers until grass grows on the floors of their shops before they will submit to the demands of the trikers or the dictates of the Board of Walks Belegates, whom they refuse to recognize in factor in the difficulty.

The Anarchist resort, Lum Groben Michel, at 200 Fifth street, was open and running at full blast all day yesterday. Long-haired, shaggy-whiskered and dirty-looking individuals kept going in and out of the side door, and they are simply signed, "The Committee."

The Anarchist resort, Lum Groben Michel, at 200 Fifth street, was open and running at full blast all day yesterday. Long-haired, shaggy-whiskered and dirty-looking individuals kept going in and out of the side door, and with the street was a sound of revelry within. No one could get into the Takers demands.

The Committee."

without a nurmur, at least so let as the puts lie knows.

The movement of the Iron League to organize an Independent Carriers Association, to deliver material from boycotted yards, has practically failed. The effort to continue work on jobs under strike with non-union men has also met with failure, as well as the overtures made to strikers to repudiate the Union and return to work.

The strikers have been successful in completely blocking work on every job selected, and declare that they have tailed in nothing yet undertaken.

Judge Morgan J. O'Brien in a RunGouet, and J. A. Linherr, the Supreme jeweller of this city, have just had a narrow escape from serious injury at Bridgeport, Cons. They were going to church yesterday in a stage belonging to the George Hotel, and declare that they have tailed in nothing yet undertaken. undertaken.

Weral property-owners who have buildin course of construction called on seciry Clayton at the delegates' headquarithis morning for the purpose of arbitratindividually.

mong the number was the jupter member recover.
